SOURCE:—Summary records of State Plan Division.

Construction works done by the CPWD

1292. SHRIMATI KANAK MUKHERJEE: Will the Minister of URBAN DEVELOPMENT be pleased to state the value of construction work done by the Central Public Works Department during the fourth plan period and during 1985-86, in Calcutta, Howrah in West Bengal, Delhi, Bombay, Madras and Chandigarh?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT (SHRI DALBIR SINGH): The information is being collected and will be laid on the Table of the Sabha.

Composition and objectives of the commission for agricultural costs and prices

1293. SHRI SURESH PACHOURI: Will the Minister of AGRICULTURE be pleased to state:

(a) what is the composition of the Commission for Agricultual Costs and Prices;

(b) the objectives of the Commission;

(c) the extent to which the Commission has been able to achieve the said objectives; and

(d) whether it has failed to achieve the objectives, if so, what measures Government propose to take to revamp its working and what are the reasons for it not achieving the objectives?

THE MINISTER OF STATE IN THE DEPARTMENT OF AGRICULTURE AND COOPERATION IN THE MINISTRY OF AGRICULTURE (SHRI YOGENDRA MAKWANA): (a) The Commission till recently consisted of four members including one non-official member.

(b) The Commission was set up to advise the Government on price policy of agricultural commodities with a view to evolving a balanced and integrated price structure in the perspective of the overall needs of the economy with due regards of the interests of both producers and the consumers.

(c) and (d) The Commission has been able to achieve its objectives. Government has, however, recently decided to enlarge and restructure the Commission by increasing its members from four to seven including three non-official members.

Sale of Asiad flats

1294. SHRI SURESH PACHOURI: Will the Minister of URBAN DEVELOPMENT be pleased to state:

(a) what is the number of Asiad flats which have been so far sold to public sector undertakings, financial institutions, business houses alongwith the details in regard to the type of flats, the amount received for each flat and the name of each concern purchasing these flats and the number of Asiad Flats purchased by each such concern;

(b) whether any of the Asiad flats have so far been auctioned and if so, what is the amount received for each flat; and

(c) if not, what are the reasons for not selling these flats and utilising the sale proceeds in other housing projects of the D.D.A.?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT (SHRI DALBIR SINGH): (a) The requisite information is given in annexure. [*See* Appendix CXLI, Annexure No. 54].

(b) and (c) 85 flats have been auctioned so far, the details of which are given in annexure. [*See* Appendix CXLI, Annexure No. 55].

Supply of milk in poly packs by DMS

1295. SHRI SURESH PACHOURI: Will the Minister of AGRICULTURE be pleased to state:

(a) whether it is a fact that the Delhi Milk Scheme supplies milk through its booths in poly-packs and some quantity in bottles; if so, the reasons therefor;

(b) what is the capacity of the Delhi Milk Scheme for filling toned milk in poly-packs;

(c) whether it is also a fact that quite a large quantity of milk is spoiled every day because of the leakage of some of the polypacks;

(d) if so, the average quantity of milk spoiled every day on this account;

(e) the reasons for which the poly-packs could not be sealed properly; and

(f) what measures have been taken for leak-proof sealing of poly-packs and supplying the full quantity to toned milk in 1/2 litre and 1 litres poly-packs and by when such arrangements are likely to be made?

THE MINISTER OF STATE IN THE DEPARTMENT OF AGRICULTURE AND COOPERATION IN THE MINISTRY OF AGRICULTURE (SHRI YOGENDRA MAKWANA): (a) Yes, Sir. However, the present ratio of milk supplied in poly-packs and in bottles is about 1:7. For the sake of convenience and keeping in view certain advantages, it has been decided to gradually switchover to poly-packs from bottling as and when the present bottling plants in DMS have outlived their normal life.
